**President :** Your comments are noted. When you raised this at Ex-Co, we decided that we should have a guideline.

The house unanimously adopted the appointment of Mr. W.T. Ellawala as an Honorary Life Member of the Club.

**13. Any other business of which due notice has been given. - None**

The President thanked the members present and the meeting was adjourned with a vote of thanks to the Chair.

# REPORT OF THE EXECUTIVE COMMITTEE FOR THE YEAR 2022

On behalf of the President & the Executive Committee, I am privileged to present the Executive Committee Report for the year ended 31 December 2022.

I am delighted to begin this report by stating that year 2022 will go down in history as the year with the best financial performance ever achieved by the Club. The Club recorded an excess of income over expenditure before tax a sum of Rs.78 Million, and a sum of Rs. 60 Million after tax. This profit was made after giving the staff salary increments and paying 3 bonuses amounting to Rs.14.4 Million, the regular bonus and 02 additional profit bonuses. During the year under review the Membership subscription revenue was Rs. 60 Million and the revenue from Entrance fees was Rs.57 Million. The Club earned Rs. 19 Million before tax as interest income from investments. The Bar has made a profit of Rs. 7.5 Million before tax and the Restaurant has recorded a substantial profit of Rs. 5.9 Million before tax after many years of loss making. It is pertinent to mention that this financial success was achieved against unprecedented challenges the entire country had to face such as daily scheduled island wide power cuts, severe gas & fuel shortages and public unrest as never seen before finally leading to a near collapse of the Country's economy. However, we were able to successfully navigate the Club through this most difficult period and maintain sufficient membership patronage. All credit for achieving this strong financial performance should go to Nilanka Pieris, our Honorary Treasurer, for introducing new revenue streams, implementing systems, controls, and processes, and bringing financial discipline into the Club administration.

The Bar and Restaurant prices were adjusted to meet the rapidly increasing costs. However, we believe that our prices remain very competitive compared to other Clubs. The Restaurant Committee Chairman Kushantha and his team must be complimented for taking steps to improve the food quality and the service standards of the Restaurant. The members have responded positively by regularly patronizing the Restaurant. However, all sports activities except for Table Tennis have recorded a loss mainly due to the high cost of material, equipment, and high maintenance costs.

The Rules Reform Committee submitted a report suggesting reforms to the current Rules of the Club. The Executive Committee engaged in long and careful consideration of it and would be proposing to the membership a new set of Rules, draft of which would be shared with the membership for their views.

Approval was given by the membership to revise the entrance fees for new members, annual subscriptions, and all sectional fees with effect from January 2023. The revision of the annual subscriptions and sectional fees came after a period 04 years.

In the month of February, the Club felicitated Mahela Jayawardena in a ceremony titled "SSC Salutes Mahela" in recognition of him being the first SSC Cricketer to be inducted to the ICC Cricket Hall of Fame. At another ceremony held at the Club, a portrait of the Past President Mr. Tommy Ellawala was unveiled.

## **SOME NOTABLE ACHIEVEMENTS LAST YEAR**

### **INFRASTRUCTURE DEVELOPMENT**

The Club embarked on a project to put up a new Office Administration Building which was a long felt need for the Club with a generous donation of Rs. 20 Million from Mr. Nimal Dias Jayasinha, a Trustee and a Vice President of the Club. Although we intended to complete the project by end 2022, due to the unprecedented circumstances and uncertainty which prevailed in the country resulting in a substantial cost escalation, completion of the project has got delayed. We are most grateful to Mr. Jayasinha for his thoughtful and magnanimous gesture.

We now have a digitalized Scoreboard thanks to the generous sponsorship of Singer Sri Lanka. The investment of Singer Sri Lanka to complete the project is approximately Rs.18Million.

The Club entered into an exclusive Agreement with Sri Lanka Telecom (SLT) for digital services. Under phase 1 of this project, entire communication network of the Club was converted to Fibre to deliver super-fast Voice, Internet, and PEO TV services at no cost to the Club. Under phase 2, CCTV and Wi-Fi solutions will be implemented over the Fibre Infrastructure built already.

Both in and out Electronic Barrier gates are now fully operational and a Face Recognition Machine for members was installed at the entrance for the convenience of members. The automatic doors are now operated with the face recognition of members.

The Club invested in a large Digital LED Screen installed at the Lawn for the benefit of members.

### **SPORTS ACTIVITIES**

All sports activities that were curtailed during the previous year due to Covid restrictions were back to normal during the year under review. Domestic Cricket was played as usual. The Annual SSC Open Tennis Championship, the Annual SSC Open Ranking Badminton, the SSC Open Ranking Squash Championships, the Annual Swimming Gala and the Gym Night were held successfully. The Tennis House Committee successfully conducted a Junior International Tennis Federation (ITF) Tournament. However, the annual big matches and limited over fixtures were played without spectators.

Several SSC cricketers continued to represent Sri Lanka during the year under review. Dimuth Karunaratne continued to lead the Sri Lanka Test team with success and was nominated as a member of the Playing XI in the ICC Test team of the year while Dasun Shanaka led the Sri Lanka T20 team to victory at the Asia Cup in Dubai and remained as the ODI captain. # TREASURER'S REPORT – 2022

I have great pleasure in presenting the Treasurer's Report for the year ended 2022.

The club has been able to record an exceptional financial performance during the year under review with a net profit of Rs 60,628,097 when compared to a net profit of Rs. 5,788,262 recorded in the year 2021 which reflects an increase of Rs.54,839,835. The Total Assets of the club at the end of the financial year stood at Rs. 625,526,362 which is an increase of Rs. 118,514,005 over the previous year. The club continued to maintain a very healthy cash position of Rs. 163,087,716 which consisted of Fixed Deposits balance of Rs. 102,045,548, Savings Deposits balance of Rs.21,616,929, Cash at Bank balance of Rs.33,066,928 and Cash in Hand balance of Rs.6,358,311. During the year, a sum of Rs. 46,362,638 was invested to improve the infrastructure of the club and facilities for the members.

The club witnessed an increase of Rs. 65,389,304 in Income and Rs. 23,732,083 in Direct Expenses when compared to the previous financial year. The increase in income was mainly due to the contribution from Entrance Fees and improved performances from Cricket and Ground activities. The cost management program that we implemented during the previous financial year has enabled the proper management of our overheads which resulted in an Operating Profit of Rs. 107,034,661 which was an increase of Rs. 41,657,221 when compared to the previous year.

The Bar and Restaurant managed to turn around and record a profit of Rs. 7,480,387 and Rs. 5,677,333 respectively. Increased patronage and interest in our F&B operations due to a reasonable pricing structure and a wide array of options contributed significantly to the overall profit of the club. It is important to note that these figures were achieved amidst much turmoil and uncertainty that prevailed in the country.

Interest Income increased by Rs. 13,441,880 due to a higher base and yield from our interest bearing assets. Interest rates are expected to reduce in the future and thereby reduce our interest income.

Increases in tax rates during the second half of the year resulted in taxation of Rs. 17,555,241 compared to Rs. 775,922 in the year 2021.

I would like to place on record my sincere appreciation to our dynamic Honorary Secretary Mr Vasantha Wijesekera for his dedication and commitment towards the management of the club. His efforts have been instrumental in ensuring the proper management of the club.

I also would like to extend a word of appreciation to my Honorary Assistant Treasurer – Mr Suren Goonewardena, the President and Executive Committee members, Sectional Secretaries and the staff of the club, Ernst & Young for the Financial Accounting services and KPMG for carrying out duties as the clubs Auditors.

# HONORARY GROUND SECRETARY'S REPORT 2022

This ground report covers the period from January to December 2022. Although the ground was used extensively for matches, there was minimal attendance of spectators due to the prevailing health restrictions.

The ground was closed from December 2021 up to mid-January 2022 for the renovation of the center wickets and the outfield. Patches of weeds around the ground were removed using weedicides and replaced with blue grass.

In January and February 2022, several super league one-day matches organized by Sri Lanka Cricket (SLC) were played on the grounds. We also hired the grounds to visiting foreign teams to cover some of the costs related to the grounds.

In April, the finals of the U23 tournament (3-day game) organized by SLC was played at the SSC. In May, the one-day tournament organized by the Mercantile Cricket Association including the final was played at the SSC grounds. SLC T20 games were also played during this time.

In June, the ground was hired by SLC to play a 4-day match and two 50 over games against the Australia A team. Soon after, the first inter-school big match for the year was played between Thurstan and Isipathana. In July, the Ananda vs Nalanda and Royal-Thomian big matches were played followed by the one-day games. The Joe-Pete one-day match was played in August followed by the Premier 3-day club tournament which concluded in November with the final also being played at the SSC. During October, the St Sebastians vs Prince of Wales one-day match was played at the SSC. This was the first time these two schools played their one-day match at SSC.

Once again, the ground was closed for renovations of the center wicket in December due to the numerous games played over the year. The center wickets were re-clayed during this period.

Notably, the club was able to procure five very light, breathable and waterproof pitch covers from China. SSC is the only club in Sri Lanka to have such covers. The covers will enable us to cover the entire square with one cover while maintaining breathability of the cover which allows us to keep the grass lively even after prolonged coverage of the wicket. The renovated Singer scoreboard was used extensively during the year while the old clock was replaced with a brand new clock which was also facilitated through the generosity of Singer Sri Lanka.

The new Ground Manager Mr. Mahesh Bopage was confirmed in his new role, performing his responsibilities up to our expectations. The ground staff headed by Kamal and his assistant Chamila did a laudable job and this was corroborated by the excellent reports received from the match referees. I would like to take this opportunity to thank the ground staff for their tremendous work over the past year and hope they will continue to support with the same vigor this year as well.

My sincere thanks to the SLC for hiring the grounds and extending monetary support towards the maintenance of the grounds during the period under review. Their support has certainly helped us to maintain the grounds up to international standards.

I would like to take this opportunity to thank Mr. Samantha Dodanwela for overseeing the ground activities during my absence.

I also wish to thank the Club President, Executive Committee and Office Bearers for their continued support towards the development of the grounds.

# GYM HOUSE COMMITTEE REPORT

## 2022

It is with great delight I would like to present the gym house committee report 2022/2023. Our mission was to serve the gym members on their fitness to the best of our ability through the gym trainers, equipment and facilities for the period assigned.

It was a pleasurable journey with our bellowed committee. Since this report cover year 2022 predominantly, we managed to purchase new weights discarding the old ones and additional utensils targeting cross-fit training. Once a week cross-fit and once a week aerobics sessions are continued free of charge for gym members as usual. We also tried to uplift the quality of the facilities. We ensured all equipment are maintained timely and proper manner. All member grievances and suggestions were attended to best our abilities.

Concluded “Gym Nite 2023” event on 12<sup>th</sup> May 2023 was a hit in the SSC history books. The precedence was given to gym members in purchasing the tickets. Our priority was to give our members best possible enjoyment and profits were secondary. Approximated profits earned from the gym night is over Rs. 340,000 with funding of some of the sponsorships yet to be received. Our team tirelessly worked on this event to make it a proper “Dinner Dance”. I am happy to say it was huge successful team effort. Demand was very high for the event, and we managed to accommodate 132 people with the limited capacity of the venue. There were admirable sentiments shared by our S.S.C. President Mr. I.S. De Silva who attended this event. The event would not have been successful if not for the notable contributions made in terms of sponsorships, donations, and gifts for the event by our members and their contacts.

*“Alone we can do so little; together we can do so much.” – Helen Keller*

I also would like to thank the gym instructors headed by Roshan, always eager to help Prasad, ready for fun Buddhika, good with the youth Nisal, a good chatter Pradeep and new joiner Pasindu. The last but not the least I would like to extend my sincere gratitude to our beloved committee members Amalka, Ashan, Suleka, Rosalie, Indrani and Malin.

## SSC ITF International Junior Circuit 2022

The sheer commitment of the THC led by the Tournament Directors Aruna Seneviratne and Chammika De Silva and the SSC team at large made it all possible. # INDOOR GAMES REPORT

## BADMINTON – SQUASH – TABLE TENNIS

---

### 2022

The year under review has been one of fluctuating results for the SSC indoor games namely Badminton, Squash and Table Tennis. Although there has been a significant increase in revenue, the spiraling cost of maintenance, increased wages and staff benefits have affected the bottom line results. There was a revision of court charges with effect from 01<sup>st</sup> October 2022 but they still remained much below what other clubs in and around Colombo levy.

#### **Badminton:**

After a lapse of two years SSC All Island Open Badminton Championship 2022 a Ranking Level 1 (Platinum) tournament was held for the 12<sup>th</sup> year from 23<sup>rd</sup> September to 02<sup>nd</sup> October 2022 at SSC & MBA indoor courts. Total number of entries stood at 1162 and this time, from receiving the entries to the final result sheet whole process was done using modern Information Technology. Despite losing at the last minute, both sponsorships that were relied upon, we managed to post a record profit in excess of Rupees One Million. In the area of maintenance, six out of eight exhaust fans were fitted, some of the toilet equipment were replaced and a small reverse osmosis plant for drinking water was installed saving a substantial amount of money spent on bottled water. Badminton members' annual get-together – a dinner dance was held on 09<sup>th</sup> September 2022 in the AC pavilion with a packed house.

#### **Squash:**

Squash has been an area that requires an extra effort to make it viable. Lack of member patronage probably due to the nature of the game which is more suited for the younger generation, in most months there was an inadequacy of funds to meet the statutory expenses. On an informal arrangement, Sri Lanka Squash continued to make our courts the venue for almost all their tournaments which has given us a substantial portion of the total revenue. SSC open championship was held in March with a record number of entries. Ravindu Laksiri, the reigning national champion to whom the club has given a special playing membership to train in our courts free of charge won his first international title beating an Egyptian at the Bangabandu Squash tournament in Bangladesh on 09<sup>th</sup> October. At the Tournaments his name is associated with SSC.

#### **Table Tennis:**

Table Tennis section housed in the old badminton court with three ITTF approved tables has made steady progress. More and more members are taking to the game. SSC has been the venue for several TT Association conducted tournaments in 2022. An outsourced TT Academy is in progress. Many a development project have been planned to upgrade Badminton and Squash facilities and with a prospective Sponsor coming on board soon, it is hoped that indoor games will have something more to offer our members in the coming year.

## SINGHALESE SPORTS CLUB

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

---

##### 1.1 General Policies

##### 1.1.1 Basis of Preparation

The Statement of Financial Position, Income Statement, Statement of Changes in Equity, Statement of Cash Flows, and notes together with summary of significant accounting policies (the "Financial Statements") of the club have been prepared in accordance with Sri Lanka Accounting Standard for Small and Medium – sized Entities as issued by The Institute of Chartered Accountants of Sri Lanka (ICASL).

##### 1.1.2 Responsibility for Financial Statements.

The Executive Committee of Singhalese Sports Club is responsible for the preparation and fair presentation of financial statements.

##### 1.2 Significant Accounting Judgments, Estimates & Assumptions

The preparation of the Club's Financial Statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future. These factors could include judgment, estimates and assumptions.

##### Judgments

In the process of applying the club's accounting policies, management has made some judgments, apart from those involving estimations and assumptions, which have the most significant effect on the amounts recognized in the financial statements.

##### Estimates & Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31ST DECEMBER, 2022**

**1.2 Significant Accounting Judgments, Estimates & Assumptions ( Cont ' d)**

(a). **Fair Value of Financial Instruments**

Where the fair values of financial assets and financial liabilities recorded on the Statement of Financial Position cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of discounted cash flows model and/or mathematical models. The inputs to these models are derived from observable market data where possible, but where observable market data are not available, judgment is required to establish fair values.

Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(b). **Valuation of Defined Benefit Obligations**

The cost of defined benefit pension plans is determined using the half a month's salary of the last month of the financial year in respect of all employees who have had five years of service, commencing from the first year of service.

(c). **Fair Value**

Fair value is the amount of consideration that would be agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act. When a financial instrument is initially recognized, its fair value is generally the value of the consideration paid or received. Subsequent to initial recognition, the fair value of a financial asset quoted in an active market is generally the bid price and, for a financial liability quoted in an active market, the fair value is generally the asked price. For financial instruments such as cash equivalents and short-term investments that have a short duration, the carrying value of these instruments approximates fair value.

(d). **Income Tax**

The club is subject to income taxes and significant judgment is required in determining the overall provision for income taxes.

**1.3 Functional & Presentation Currency**

The functional currency of the club is determined to be Sri Lanka Rupees and the Financial Statements are also presented in Sri Lanka Rupees.

**2. SPECIFIC ACCOUNTING POLICIES**

---

**2.1 Financial Assets**

The club classifies its financial assets into the following categories: held to maturity, available for sale and trade receivables. The classification is determined by management at initial recognition and depends on the purpose for which the investments were acquired.

**2.1.1 Classification**

**(a). Held-to-Maturity Financial Assets**

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that the club's management has the positive intention and ability to hold to maturity, other than: those that:

The club upon initial recognition designates as at fair value through profit or loss; or

The club designates as available for sale; and

That meets the definition of loans and receivables.

Interests on held-to-maturity investments are included in the income statement and are reported as 'Other Income'.

**(b). Available-for-Sale Financial Assets**

Available-for-sale investments are financial assets that are intended to be held for an indefinite period of time, which may be sold in response to needs for liquidity or changes in interest rates, exchange rates or equity prices or that are not classified as loans and receivables, held-to-maturity investments or financial assets at fair value through profit or loss.

**(c). Trade Receivables**

Trade Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Receivables arising from ordinary transactions are also classified in this category and are reviewed for impairment.

## SINGHALESE SPORTS CLUB

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

#### 2.1.2 Recognition & Measurement

Financial assets are initially recognized at fair value plus, in the case of all financial assets not carried at fair value through profit or loss, transaction costs that are directly attributable to their acquisition. Financial assets carried at fair value through profit or losses are initially recognized at fair value, and transaction costs are expensed in the income statement. Financial assets are derecognized when the rights to receive cash flows from them have expired or where they have been transferred and the club has also transferred substantially all risks and rewards of ownership. Available-for-sale financial assets are subsequently carried at fair value. Trade receivables and held-to-maturity financial assets are carried at amortized cost using the effective interest method.

Changes in the fair value of monetary and non-monetary securities classified as available for sale are recognized in other comprehensive income.

When securities classified as available for sale are sold or impaired, the accumulated fair value adjustments recognized in other comprehensive income are included in the income statement as net realized gains/losses on financial assets.

Interest on available-for-sale securities calculated using the effective interest method is recognized in the income statement.

#### 2.1.3 Determination of Fair Value

The fair value of loans and advances as well as liabilities to banks and customers are determined using a present value model on the basis of contractually agreed cash flows, taking into account credit quality, liquidity and costs.

The carrying value less impairment provision of trade receivables and payables are assumed to approximate their fair values.

#### 2.1.4 De - Recognition

A financial asset (or, where applicable a part of a financial asset or part of a Group of similar financial assets) is derecognized when:

The rights to receive cash flows from the asset have expired.

The Club has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either.

## SINGHALESE SPORTS CLUB

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

#### **2.1.4 De - Recognition ( Cont'd)**

- (a) The Club has transferred substantially all the risks and rewards of the asset, or
- (b) The Club has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Club has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, and has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of it, the asset is recognized to the extent of the Club's continuing involvement in it. In that case, the Club also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Club has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Club could be required to repay.

#### **2.1.5 Taxation**

##### **Current Taxes**

The provision for Income Tax is based on the elements of Income & Expenditure as reported in the financial statements and computed in accordance with the provisions of the Inland Revenue Act No. 24 of 2017 and the amendments thereto.

#### **2.1.6 Borrowing Costs**

Borrowing costs that are directly attributable to acquisition, construction or production of qualifying assets, which takes substantial period of time to get ready for its intended use or sale, are recognized as expenses in the period in which they are incurred and charged to the Statement of Comprehensive Income.

## **2.2 Valuation of Assets & their Measurement Bases**

### **2.2.1 Inventories**

Inventories are valued at the lower of cost and net realizable value, after making due allowances for obsolete and slow moving items. Net realizable value is the price at which inventories can be sold in the ordinary course of business less the estimated cost of completion and the estimated cost necessary to make the sale.

## SINGHALESE SPORTS CLUB

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

#### **2.2.2 Cash & Cash Equivalents**

Cash and cash equivalents are defined as cash in hand, demand deposits and short-term highly liquid investments, readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand and deposits in banks net of outstanding bank overdrafts. Investments with short maturities i.e. three months or less from the date of acquisitions are also treated as cash equivalents.

#### **2.2.3 Property, Plant & Equipment**

##### **(a). Cost / Revaluation**

Property and equipment, including owner-occupied property, is stated at cost, excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment losses. Replacement or major inspection costs are capitalized when incurred and if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.

The cost of property and equipment is the cost of acquisition or construction together with any expenses incurred in bringing the asset to its condition for its intended use. Where items of property and equipment are subsequently re-valued, the entire class of such assets is re-valued.

When an asset is re-valued, any increase in the carrying amount is credited directly to a revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognized in the income statement, in which case the increase is recognized in the income statement. Any revaluation deficit that offsets a previous surplus in the same asset is directly offset against the surplus in the revaluation reserve and any excess recognized as an expense. Upon disposal, any revaluation reserve relating to the asset sold is transferred to retained earnings.

## SINGHALESE SPORTS CLUB

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER, 2022

#### **2.2.3 Property, Plant & Equipment ( Cont ' d)**

##### **(b). Depreciation**

The provision for depreciation is calculated by using straight line basis on the cost or valuation of all Property, Plant and Equipment; in order to write off such amounts over the following estimated useful lives. The principal annual rates used are:

Buildings, Swimming Pool & Badminton Complex	Over 40 years @ 2.5%
Furniture & Fittings, Plant & Machinery	Over 10 years @ 10%
Motor Vehicles	Over 6.6 years @ 15%
Computer Equipment, Gym Equipment & Children's Play Equipment	Over 05 years @ 20%
Restaurant Utilities, Bar Utilities & Bar/Restaurant System	Over 04 years @ 25%
Admin, Restaurant & Kitchen Tools	Over 01 year @ 100%

Depreciation of an asset begins when it is available for use as determined by the management and depreciation of an asset ceases at the earlier of the date that the asset is classified as held for disposal and the date that the asset is derecognized.

##### **(c). Impairment of Assets**

The carrying amount of the Club's asset is reviewed at each reporting date to determine whether there is, any indication of impairment. If any such indications exist then the assets recoverable amount is estimated.

An impairment loss is recognized if the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. A cash generating unit is the smallest identifiable asset group that generates cash flows that are largely independent from other assets and Clubs impairment losses are recognized in income statement.

The recoverable amount of an asset or cash generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risk specific to the asset.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31ST DECEMBER, 2022**

**2.2.3 Property, Plant & Equipment ( Cont ' d)**

**(d). Impairment of Assets**

Impairment losses in respect of assets other than goodwill recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the assets' carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization if no impairment loss had been recognized.

**2.3 Liabilities & Provisions**

All known liabilities have been accounted for in preparing the financial statements.

**2.3.1 Retirement Benefit Obligations**

**(a) Defined Benefit Plan - Gratuity**

Gratuity is a Defined Benefit Plan. In order to meet this liability, a provision is carried forward in the Statement of Financial Position, based on a half a month's salary of the last month of the financial year in respect of all employees who have had five years of service, commencing from the first year of service.

**(b) Defined Contribution Plans-Employees' Provident Fund & Employees' Trust Fund**

Employees are eligible for Employees' Provident Fund Contributions and Employees' Trust Fund Contributions in accordance with the respective Statutes and Regulations.

**2.4 Capital Grants**

Grants are related to assets. These grants have been deferred in the Statement of Financial Position and credited to the Comprehensive Income over the useful life of the related assets. Donations received to meet expenses in a given year are accounted for on receipt basis.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31ST DECEMBER, 2022**

**2.5 Comprehensive Income**

**2.5.1 Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Club and the revenue and associated costs incurred or to be incurred can be reliably measured. The following specific criteria are used for the purpose of recognition of revenue.

**(a) Sale of Goods**

Revenue from sale of goods in the Bar and Restaurant is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyer.

**(b) Rendering of Services**

Revenue from rendering of services is recognized on an accrual basis.

**(c) Interest**

Interest income is recognized on an accrual basis.

**(d) Rental Income**

Rental income is recognized on an accrual basis.

**(e) Membership/ Subscription Income**

Membership / Subscription income is "recognized on an accrual basis".

**(f) Other Income**

Other Income is recognized on an accrual Basis

Net gains and losses of a revenue nature on the disposal of Property, Plant & Equipment and other noncurrent assets including investments have been accounted for in the Statement of Comprehensive Income, having deducted from proceeds on disposal, the carrying amount of the assets and related selling expenses. On disposal of revalued Property, Plant and Equipment, amount remaining in the Revaluation Reserve relating to that asset is transferred directly to income over expenditure.

**2.5.2 Expenditure Recognition**

Expenses are recognized in the Statement of Comprehensive Income on the basis of a direct association between the cost incurred and the earning of specific items of income. All expenditure incurred in the running of the business and in maintaining the Property, Plant & Equipment in a state of efficiency has been charged to income in arriving at the income over expenditure for the year.

**2.6 Leases**

Payments made under operating leases are recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease.

Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.
